After the phone has booted, Wildix Phone App opens automatically.

To log in, fill out the following fields:

- *Domain*: PBX name or IP address
- *User name*: extension number or email address
- *Password*: enter your WEB password.

Note: Google/ Office 365 Single Sign-On options are available to log in.

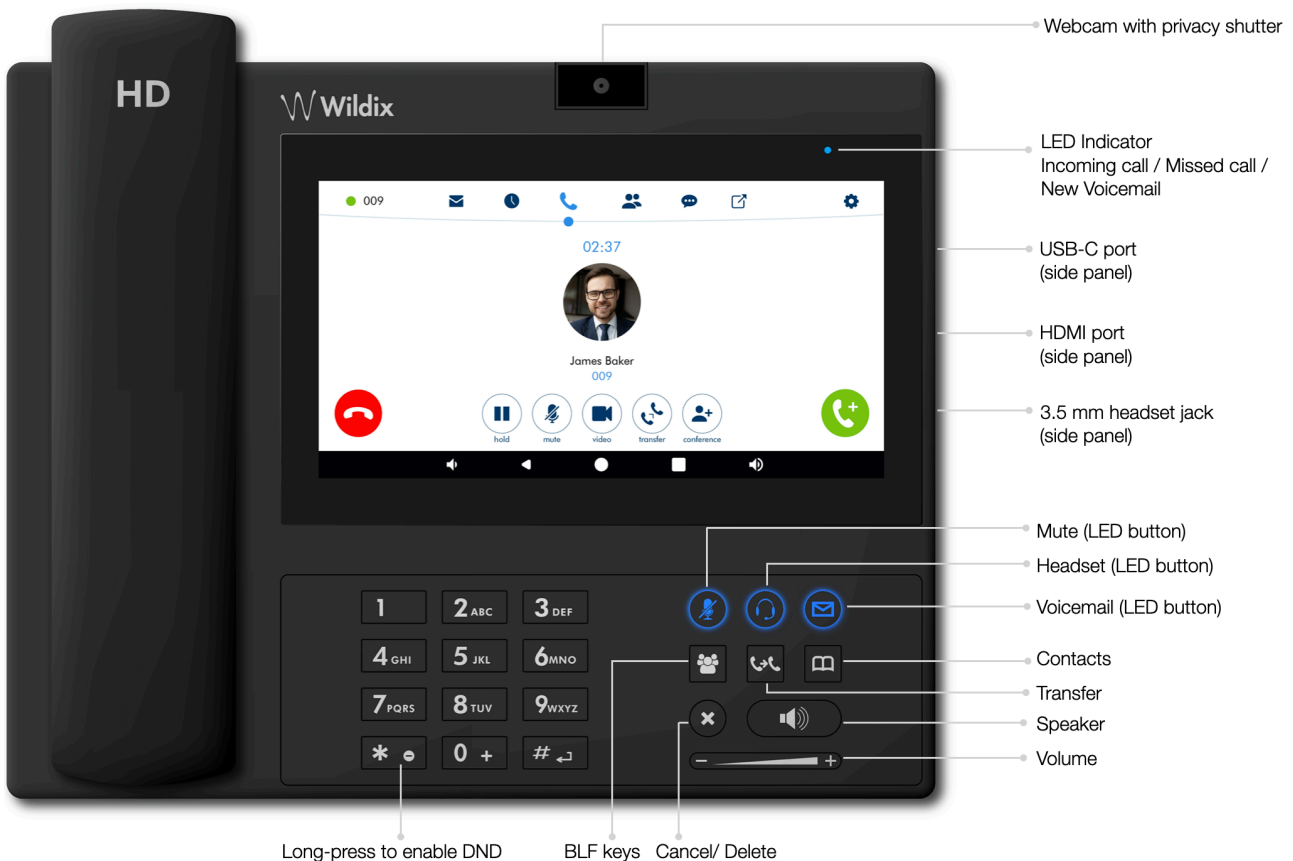

MENU OVERVIEW

CHANGE USER STATUS

Tap **User status** menu to set user status DND / Away.

You can add your status message and, by checking the field "until", set the time and date when DND/Away status should go back to Available.

BLF KEYS

BLF keys must be set up in *Collaboration Settings* -> *Function keys*. This phone supports up to 120 BLF keys.

You can change the number of BLF keys displayed per page in Phone App **Settings** -> **Advanced**.

PLACE A CALL

- Manually from Dialpad: enter the phone number and then tap the green button.
- Search in phonebook: open Dialpad and start entering a number / a name, results that match your search are listed below, tap on the contact to place a call.
- From history: tap **History** menu. Tap the contact or the phone number, then tap **Call**.
- Dial a user whom you have assigned a *Colleague* Function key: tap **BLF keys**, then tap the BLF key assigned to the colleague.

HOLD/ SECOND CALL

Tap during a call to put a call on hold / resume.

Tap to place a second call, enter the number and then tap the green button.

VIDEO CALL

Tap during a call to start / stop video streaming.

CALL TRANSFER

- Tap during a call (the call is put on hold).
- Enter the phone number:
 - Tap for direct transfer (blind transfer without notification).
 - Otherwise tap to place an outgoing call (attended transfer), then tap from call window to complete the transfer.

Call transfer via BLF keys:

- During a call, tap **BLF keys** menu
- Tap the BLF key of colleague / call group:
 - Tap **Transfer** for direct transfer (blind transfer without notification).
 - Otherwise tap **Call** to place an outgoing call (attended transfer), then tap from call window to complete the transfer.

CONFERENCE CALL

Put the first call on hold to make a second call to the contact you would like to invite to the conference call

When the third party answers, tap from call window.

LISTEN TO VOICEMAIL MESSAGE

Tap **Voicemail**/ Press **Voicemail** button:

Tap the **Play** icon next to the message to listen to it.

To delete: check the message(s) and tap the **Bin** icon .
